CLUB INSURANCE PROGRAM INCIDENT REPORTING PROCEDURES

Club approved, sponsored, organized and/or supervised Activities or Events

Any incident that occurs which could potentially lead to a claim under the Club General Liability program should be reported as soon as possible by the Club.

It is important that key information is recorded for each and every incident that occurs during Club sponsored, organized and/or supervised activities and events, and that this information is promptly reported. USA Water Ski & Wake Sports has developed a Club General Liability Incident Report form for this purpose. The Incident Report form is available to all Clubs via the USA Water Ski & Wake Sports web site: www.usawaterski.org (under Insurance Resources and Club Insurance Program links).

A Club official should complete the Incident Report form at the time of an Accident, Injury or Other Incident. Please be certain to fill out the Incident Report form completely and accurately. Prompt reporting of incidents provides the insurance company with a head start in evaluating and resolving these matters, where possible, and ensures that the strongest possible defense can be provided to the Club in the event that a liability claim is filed. A claim is an actual demand for damages by a third party.

Incidents may include injuries to participants, spectators, volunteers, boat accidents, theft or damage to property of a third party, etc. Examples of incidents which need to be reported include, but are not limited to, the following:

- Serious Injury or Illness
- Drowning
- Other Fatality
- Minor Property Damage
- Serious Property Damage
- Boating Accident
- Missing Person(s)
- Theft
