

**68<sup>th</sup> GOODE Water Ski National Championships**  
*Officiating Assignments*

Dear Prospective National Official:

I will be coordinating the scoring assignments with Chief Scorer, Tad Scharpf as well as the judging assignments for the 2010 GOODE Water Ski National Championships at Waters Edge in Wilmington, IL since the Assignment Judges, Don Bucher and Mark Boender, are sharing the duties. During the tournament those three are the gentlemen that you will need to contact and report to though. The 2010 Nationals will be held from August 8 through the 14<sup>th</sup>.

The 2010 Nationals has a fantastic website at <http://www.awsamidwest.com/nationals.php> and USA Water Ski has Nationals information at [www.waterskinationals.com](http://www.waterskinationals.com).

If you are interested in volunteering your time and expertise as an official at the 2010 Nationals then I encourage you to complete and return the attached questionnaire to me by **Friday, July 9, 2010**. I will work to ensure that you are assigned to a position that suits your schedule and your comfort level.

The use of email to [tom@danfordcpa.com](mailto:tom@danfordcpa.com) is preferred as electronic communications will be necessary since several officials will be splitting assignments. If email will not work for you then you may fax to (260) 833-2214. It is important that I have a means of contacting you both before and during the tournament, so please complete the questionnaire including this essential contact information.

Assignments will be communicated via email by Wednesday August 4, 2010 and will be posted on the website. Further, they will also be available at the Official's Meeting, which will be on site on Saturday August 7, 2010 at 6pm CDT. This meeting will be webcast as well and will include an opportunity for you to submit questions. You can find the meeting link on the website. I encourage all officials arriving later in the week to log in for the meeting.

Any official who is assigned to a position who is arriving later in the week is encouraged to check-in when they are in the area and confirm when they will be reporting on site. All officials may contact me at 260-833-1100, most likely by leaving a message. Once you are on site please check in with Don or Mark.

Thank you in advance for your time and consideration. This event would not be possible without the hard work and dedication of all our officials. Your efforts are greatly appreciated.

Sincerely,

Tom Danford  
Chief Judge
