1. The U.S. Junior Team for the Cam Am Challenge will be selected based on the AWSA National Ranking List (12-mth average) as of July 1, 2016. The Tournament will be near Edmonton, Canada on August 19-21, 2016.
2. Each skier must be 16 or under as of **December 31, 2015**. **Current junior, U21, or elite team members are not eligible for this team.**
3. A total of 6 skiers will be selected to the team. The first four slots will be awarded based upon gender distribution (2/2) and three-event overall NOPS. The final two slots will be given to the highest two skiers (boy or girl) based upon a two-event NOPS determination. Additional selection information is given in Article 5.
4. Notification of interest should be sent to **Brenda Baldwin, International Activities Committee consultant, via email at [bnbaldwin@cfl.rr.com](mailto:bnbaldwin@cfl.rr.com)** no later than eight weeks (June 24, 2016) before the start of the tournament, in which at least one parent must agree to attend the event with the child and cover all costs including sharing in the cost of the two person team staff, provide all necessary supervision, and take full responsibility for the child's welfare.
5. Selection Criteria
  - 5.1. Top four slots (gender distributed 2/2): The two highest ranked U17 Overall skiers on the National Ranking List as of seven weeks before the start of the tournament that meet the above criteria will be selected to the 2016 U.S. Can Am Junior Team. The selection committee will work down the National Ranking List until there are two skiers of each gender meeting the above criteria. If National Ranking List Overall scores are not available for the assessment of a skier's qualification, the individual event(s) National Ranking List scores for the same period will be used to determine a calculated NOPS value and the skier will be ranked accordingly.
  - 5.2. Final two slots: The two highest ranked U17 skiers based upon a calculated two-event NOPS on the National Ranking List as of seven weeks before the start of the tournament that meet the above criteria will be selected to the 2016 U.S. Can Am Junior Team. The selection committee will determine the equivalent two-event" NOPS based upon a skier's two best events, using his NRL scores for each of the selected events. The skiers with the highest two-event NOPS score will be selected to the fifth and sixth team slots.
6. The skiers will be responsible for all costs.

7. The IAC may designate alternates to the U.S. Can Am Junior Water Ski Team. The method of selecting these alternates will be at the discretion of the IAC and not based on any fixed formula.

9. Disclaimer: In the event of unforeseen circumstances, which, in the unanimous opinion of the IAC, render these procedures clearly ineffective, the Committee may, with the approval of the President of AWSA, amend these procedures as necessary to accomplish the goals of the AWSA International Competition Program.
