

2010 ABC List of Previously Approved Tournament Towboats

The following list identifies those towboats successfully meeting the 2010 ABC Approved Tournament Towboat Evaluation criteria and guidelines. By meeting and /or exceeding the ABC criteria for water ski towboats, the following are now "**APPROVED**" to pull USA Water Ski sanctioned barefoot events (See the ABC revised rulebook rule 11 for which boats can pull which level of tournaments.) Boats are approved only as tested, and must be configured with engine, fuel delivery system, propeller, and transmission as shown below.
