

A.B.C. Notice to Registrar

This is a very important job and if done properly, will eliminate many complications for the scorers and allow the tournament to run smoothly. This job does not need to be done by a scorer or rated official.

- Be sure the skier has a current USA Water Ski “Active” membership . See USA Water Ski card, receipt or collect money and process new - guest, family or individual membership.
- Check that skiers are properly registered, including entry form, signed release, skier biography, etc. and notify the scorer, the announcer and the dock starter of any skier scratches and late entries.
- Enter or update the skier information and ensure they are in the proper division, and correct boat choice has been selected. If a computer is not available, have folders for each division.
- Several items may be made available to skiers at the registration desk. This would include new rule changes, skiers’ rating sheets, entry forms for Regionals or Nationals, skiers’ rating books, etc.
