Re: Tournament Results and Software Questionnaire

In an effort to improve the quality of our ABC Program we would appreciate you taking a moment (at the conclusion of your tournament) to:

1. **Export a copy of your tournament results to a diskette in the "A":Drive**

**To Export from the ABC Program:**

- a) **Start the ABC Program**
- b) **Close the Master List!**
- c) **Go to the Main Menu**
- d) **Select the "Data Conversion Utilities" button or Email it directly to heeney@ixi.net**
- e) **Read the warning and select "OK"**
- f) **Place a Blank diskette in the A:Drive**
- g) **Select the "Export and Zip" Button**
- h) **Check and see if the file ABCData.zip on the diskette is larger than 400 Kilobytes!!**

Send tournament diskette with this questionnaire to:

**Brian Heeney            406-443-7996**  
**4060 Buoy Blvd.       Or Email it to: heeney@ixi.net**  
**Helena, MT 59601**

2. **Fill out the following Questionnaire**

Tournament Name: \_\_\_\_\_

Chief Scorer: \_\_\_\_\_

Phone #: \_\_\_\_\_

Address \_\_\_\_\_

Did you have any problems with the ABC Program? If so, please describe the problem and what you were doing just before the error occurred?

Were there any areas with the program that you found confusing?

If you could change any features ("windows") in the program what would you change and how?

What new feature in the program would make your job easier!?
