*The following insurance requirements apply to **all boats** (including towboats, personal watercraft, pontoons, barges or other watercraft) which will be used in connection with USA Water Ski sanctioned events. Only boats less than 58 feet in length may be used in connection with USA Water Ski sanctioned events.*

Insurance Requirements:

Each boat owner shall provide and maintain, at the boat owner's expense, the following insurance for claims arising out of the use and operation of the owner's boat in connection with a USA Water Ski sanctioned event:

(i) Watercraft Liability insurance with limits of not less than \$500,000 each accident for bodily injury and property damage arising out of the use and operation of the boat (***see note below***). (ii) Watercraft Physical Damage insurance covering the boat, motor(s), trailer and any additional equipment (such as electronics) on an agreed value basis in the event of theft, loss or physical damage. The boat owner may elect to self-insure this exposure at the boat owner's sole risk and expense.

All such insurance required above shall be (1) primary to and non-contributory with any insurance maintained by USA Water Ski for losses arising out of use and operation of the boat in connection with a USA Water Ski sanctioned event; (2) shall be written by insurance companies with ratings of "A" or better in the latest edition of the A.M. Best key rating guide; and (3) shall provide that coverage may not be canceled unless thirty (30) days prior written notice thereof is furnished to USA Water Ski.

Prior to use of any boat in connection with a USA Water Ski sanctioned event, the boat's owner **must** provide a Certificate of Insurance to the Club (or Local Organizing Committee) and USA Water Ski certifying that the appropriate insurance is in place and that the policy meets the insurance requirements as set forth above. Maximum Reimbursement in the Event of Theft, Loss or Damage during a USA Water Ski sanctioned event:

Amounts in excess of the maximum reimbursement are the responsibility of the boat's owner. The \$1,000,000 limit requirement may be satisfied by combining limits from a primary boat insurance policy with an umbrella/excess liability policy.*****
