Application Instructions:

- Applicant must have held a Regular (National) Technical Controller rating for a minimum of one year prior to beginning work on a Senior (Elite) Technical Controller rating.
- Attend a pre-approved Technical Controller (TC) Clinic which includes a practical evaluation. The clinic should be scheduled with your Regional Technical Committee member. Go to <http://www.usawaterski.org/pages/divisions/3event/AWSACommittees.pdf> for a listing of current committee members.
- Perform ALL duties of a Chief Technical Controller and complete the site certification tasks listed below under the supervision of the Chief Technical Controller (Senior/Elite) at USA Water Ski-sanctioned AWSA record capability tournaments **(one of which must be performed at a Regional, National or U.S. Team Trials tournament)**, for each event for which you are making application. **Each tournament must be at a different site.** Signatures on outdated applications will be accepted for requirements on the current form if the old form is attached to this application.
- Once completed, submit the application to AWSA's TC Committee Chair and USA Water Ski's Officials' Coordinator for approval. Go to <http://www.usawaterski.org/pages/divisions/3event/AWSACommittees.pdf> for a listing of current committee members. It is suggested that you retain a copy of this application for your records. If you are continuing to work on another event, use your copy of the application to continue to obtain signatures and receive credit for the other event(s).
- A written test will be administered by the TC Committee Chair once all requirements have been completed. Upon successfully passing the testing, the AWSA TC Committee Chair will approve/sign the application and submit to USA Water Ski Headquarters for processing.
