

Clarification from Rules Committee regarding wording for Mini Course wording: Seems there was confusion regarding the word "full". Hope this helps.

13.04 Mini Course:

At the option of the LOC in Class C tournaments and below, skiers may choose to ski mini course buoys:

A. Mini course buoys, preferably green in color, are to be placed by the LOC at approximately 8.5 meters from center-line of the slalom course. However, there is NO required measurement or specified tolerance. NOTE: The slalom course for the disabled is 6.4m from center-line.

B. Each mini course buoy is scored as 1/2 point. To get credit, the skier must go through the entry gates, around the mini course buoy and then cross the boat guide line closest to the buoy. No partial credit is awarded for mini course buoys.

C. A mixture of mini course buoys and ~~full~~ **standard course buoys can be used to attain a score. The mixture must be of consecutive buoys. Once a buoy is missed (either mini and/or ~~regular~~**standard**) no more buoys are counted in the scoring of that pass.**

D. Mini course scoring will only be used on the first pass in Class C.

E. A skier must make 6 ~~full~~ **standard buoys to get a second pass in Class C.**
