

2007 USA Water Ski Approved Tournament Towboats

The following list identifies those towboats successfully meeting the 2006-2007 USA Water Ski Approved Tournament Towboat Evaluation criteria and guidelines. By meeting and /or exceeding the USA Water Ski criteria for water ski towboats, the following are now **"APPROVED"** to pull USA Water Ski sanctioned events. Boats are approved only as tested, and must be configured with engine, fuel delivery system, propeller, and transmission as shown below.

As Chief Driver, it is your responsibility to ensure that the Towboat Documentation Report is filled out completely, signed by yourself and the Chief Judge, and returned to headquarters promptly. Read the instructions carefully, noting the boat models as listed below. Also, please read the ABC Towboat Use Policy information for model year requirements.

Boat			New/		Fuel		Propeller
ID	Manufacturer	Model	Unmod.	Engine Mfr. & Model	Del.	Trans.	Mfr, Blades, Size
1	Gekko	GTR 22	Unmod	PCM ZR6 6.0L	EFI	1:1	OJ, 3, 13 x 12 Nibrals
2	Malibu	Response LXi	New	Indmar 383	EFI	1:1	AC, 3, 13 x 12.625 Nibrals (383)
3	Sanger	Barefoot DXII	Unmod	Black Scorpion (5.7) Mercruiser Black Scorpion (6.2) Mercruiser (8.1)	EFI	1:1	AC, 3, 13x13 (5.7/8.1) AC, 3, 13x12 5/8 (6.2)

EFI = Port Fuel Injection, TBI = Throttle Body Injection Prop, OJ = Johnson, AC = ACME, Speed Control, ** = Approved for class C tournaments only

Note: Boats approved with more than one engine and/or more than one propeller may use any approved combination in sanctioned tournaments.
