The member must check the definition of an Appeal in the USA-WS Bylaws Article IX.

B Appeals shall use the following process:

1. As soon as possible after receiving notice of an adverse decision, but in all cases within ten (10) days of such notice, a member who believes that such decision was arbitrary or unreasonable shall file a written appeal with the Chairman of NCWSA. Failure to timely file such an appeal shall be deemed a waiver of any objections to the decision, and that decision shall then become final and non-appealable;

The written appeal shall include the following
(a) The identity of the appellant;
(b) The identity of the NCWSA representative responsible for the decision (appellee);
(c) A statement identifying whether the appeal requires action within ten (10) days, and if so, the reasons why “urgent” attention is required;
(d) citation of the criteria, standards or other material which the appellant contends NCWSA was obliged to follow in rendering the decision at issue;
(e) A short and plain statement of all facts which the appellant contends demonstrate his dissatisfaction of the selection criteria at issue, and any other facts which the appellant contends demonstrate that the decision was arbitrary or unreasonable; and
(f) The signature of the complainant (and the signature of his parent or legal guardian if he is under eighteen (18) years of age).

2. Upon receiving the written appeal, the Chairman shall immediately distribute a copy of the appeal to each Officer and Director.

3. If the appeal is urgent (i.e., requires a decision within ten (10) days), the Chairman shall convene a hearing via teleconference as soon as possible which shall include as many members of the Board as can be gathered for the emergency teleconference and shall also include the aggrieved member and the appellee if possible.

4. If the appeal is not urgent, the Chairman shall schedule a hearing either in person or via teleconference at the earliest time convenient for members of the Board, the aggrieved member and the appellee, and shall provide written notice of the date, time and type of hearing. Any person entitled to participate in the hearing may do so via teleconference.

5. Notwithstanding anything herein to the contrary, if the urgency of the appeal requires a decision before a quorum of the Board can be gathered despite best efforts to obtain a quorum, then the decision of those Board members who were able to participate in the hearing shall be final, and shall not be subject to attack on the basis that a quorum was not present.

Each party shall have the following rights during the formal hearing:
(a) To be assisted or represented by any member or by legal counsel of the party’s choosing;
(b) To call witnesses and present oral and written evidence and argument which the Board, during the hearing, deems relevant;
(c) To confront and cross-examine adverse witnesses; and
(d) To have an audio, video or stenographic record made of the hearing at the party’s own expense.

7. In any hearing conducted under this section, the Board shall affirm the decision at issue unless the aggrieved member proves by clear and convincing evidence that the decision was arbitrary or unreasonable. The decision of the Board is final and non-appealable within NCWSA unless expressly provided for elsewhere in these Bylaws.

8. After a resolution has been reached and the Appeals process has produced a final decision, the Chairman shall forward the results to the President of USA-WS for action under Article IX of the USA-WS Bylaws. The resolution must be passed by a two-thirds majority of the Board of Directors.
