**TO:** Interested Team Coaches, Managers and Physician  
**FROM:** Kerri Lee, AWSA International Activities Committee  
**RE:** Positions for 2020 International Events

In early November, the International Activities Committee (IAC) will nominate coaches, managers and physicians for all 2020 international events listed. If you are interested in being considered for appointment to any of these tournaments, please fill out this form. There is no longer any funding for coach and manager for any age group teams. For the Junior Worlds, the physician alone receives 50% funding. The elite team staff is fully funded (manager, coach and physician) to the Pan Am Championships. SafeSport certification is now required. There is no cost, and it is accessible online. Background screening is still required (duration two years) and the expense is covered by AWSA.

**Jr. Worlds (Funding TBD)**

August 18-23, 2020; Santa Rosa Beach, Florida

**Pan Am Championships (*Jr. through Open teams only – NO 35+*) (3 staff – 1 manager, 1 coach, 1 physician - are funded at 100% / a second coach would be self-funded)**

Location TBD; Dates TBD

**35+ Worlds (staff self-funded)**

September 14-20, 2020; Bauroch, France

If you are nominated by the IAC to one of these events, you will be notified (by email only) in November.

Please email this form or the necessary information to **Kerri Lee** by **October 27** at: [kleeski@hotmail.com](mailto:kleeski@hotmail.com) and CC: [jimhgrewjr@cs.com](mailto:jimhgrewjr@cs.com). Email responses will be acknowledged. All questions should be directed to Kerri Lee.
